

Client Bank Accounts Disclosure

As per regulatory requirements, all stock brokers (including Finverse Platform Private Limited) must publish the details of their active client bank accounts on their website to promote investor awareness. These client bank account details are also available on the websites of the respective Stock Exchanges (NSE & BSE) under the section “Know/Locate your Stock Broker”.

Important note for DreamStreet users: Finverse Platform Private Limited is authorised to receive and make payments to investors only through designated bank accounts specifically titled as **client bank accounts**.

Finverse Platform Private Limited is also mandated to report these client bank accounts to the respective Stock Exchanges (NSE & BSE). Therefore, you are requested to use **only the following client bank accounts** for any dealings related to your DreamStreet trading account. The same details are also displayed on the Stock Exchange websites under “Know/Locate your Stock Broker”.

You are advised to avoid making any direct deposit or fund transfer into these client bank accounts via unsecured payment modes (IMPS/NEFT/UPI/other methods).

All deposits/fund transfers to your DreamStreet account must be made only through the DreamStreet mobile app and/or website using your secure login, via the “**Add Money**” flow. If you deposit funds into the below-mentioned client bank accounts through any mode other than the secure login route, DreamStreet will not be responsible for any delay in reflecting limits/exposure for transactions on the DreamStreet app and/or website, including any losses that may arise as a result.

Below are the client bank account details of Finverse Platform Private Limited as submitted to the respective Stock Exchanges:
